Dear Mark,

Thank you so much for sending me your letter. I appreciate you taking the time to write.

I am very impressed with your dedication to honoring and commemorating the lives of our United States Veterans. They have so honorably served our nation and fiercely protected the freedoms we all hold so dear. They deserve our utmost respect and admiration and I'm thrilled your organization is doing so much to celebrate the story of these amazing Americans.

I would be honored to put a link on my Military Families website so that all Californians can learn about the incredible work of the VeteranShield Project.

Again, thank you for thinking of me and I wish you every future success with your program.

Best,

Maria Shriver
